Mail Order Firm Leases 2 Stores

Montgomery Ward & Co. to Open Order Offices on Olive St. and in Maplewood.

Montgomery Ward & Co., national mail order operators, have leased stores at 3512 Olive street and 7407 Manchester avenue for additional order offices.

The Olive street quarters also will be used for a display of refrigerators, stokers and electrical appliances.

With the new leases the company will operate seven units in the St. Louis area. The locations already occupied are at 5212 Gravois, 6504 Delmar, 1474 Hodiamont, 4118 West Florissant and 1009 Locust.

The object of an order office is to make it more convenient for catalog customers that the company now has in this area.

The lease on Olive was negotiated for all parties by Arthur H. Fuldner, manager of the commercial leasing department of Oreon E. and R. G. Scott. The Maplewood property was handled by Fuldner and the John P. Dolan Realty Co.

COMPTON AVE. PROPERTY SOLD

The property at 217-19-21 Compton, consisting of stores and tenements, has been purchased by Joseph Shapleigh for investment. It was sold by Arnold C. Johnson and Nathaniel C. McLean, trustees.

Sam Hamburg, associated with Shaw & Francis, Inc., made the sale.

ON THREE LEVELS—95-foot rambling type house nearing completion for Mr. and Mrs. Miles R. James on Forest View drive, in Warson Woods. The living room is a step below the foyer and the sleeping quarters are elevated one step. Kitchen facilities are separated from an upholstered breakfast nook by a projecting counter. Exterior construction is of brick, stone and wood. The residence was built by Joseph H. White & Son with Fred Sternberg as architect.

DESIGNED FOR HILLSIDE—Ranch type residence completed for Mr. and Mrs. J. R. Pahmeyer on the east side of Spoede road, just north of Ladue road, in Alden Acres. Wilbert V. Murphy was the builder and Bernard McMahon the architect. The Dimmitt-Rickhoff-Bayer Real Estate Co. handled the transaction.

24-Unit Building Will Open Today

$150,000 Apartment in 6000 Block on South Kingshighway Completed.

The $150,000 apartment building at 6010 South Kingshighway has been completed and the formal opening will be held today.

Of modernistic design, the building contains 11 five and six room efficiency apartments and 12 full four-room units. All of them will be cooled by a summer air circulation system. Extensive landscaping is being completed and a large illuminated fountain has been installed in the center front lawn.

Exterior construction is of buff-colored brick trimmed with cut stone and glass brick. Corners of the building are rounded to harmonize with the three-story structural glass stair towers.

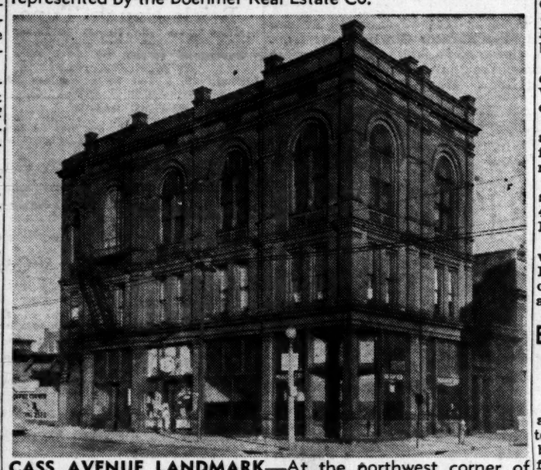
The apartment is owned and operated by a group of South St. Louis business men as an investment.

A. J. Meyer & Co. negotiated the sale of the ground and the erection of the building, which was financed by W. I. Christopher & Associates. Scheperle & Neuner were the builders.

Farmhouse Costs $4 a Month.

The first USHA low-rent farmhouse in Mississippi will be occupied by F. H. Hamner, 67-year-old farmer, his wife and two children. For monthly payments of about $4, the Hamners will live in a well constructed farmhouse, equipped with sanitary facilities, a sealed well and a hand pump.

IN HAMPTON PARK—Residence of Will H. Boehmer at 8000 South drive sold to Thomas D. Dazey. Both parties were represented by the Boehmer Real Estate Co.



CASS AVENUE LANDMARK—At the northwest corner of Seventeenth and Cass sold by Harry T. Brinckwirth and Mrs. J. Reynolds Medart to Mr. and Mrs. Carl J. Reinecke. The E. A. Bokern Real Estate Co. acted for the purchasers and Edward L. Bakewell for the sellers.

West-End Corner Leased for Bar

J. M. Vahey and M. B. Cowles Will Open Cocktail Lounge in Dorr & Zeller Building.

The corner part of the two-story Dorr & Zeller Building at the northwest corner of De Baliviere and Waterman has been leased by John M. Vahey and Marshall B. Cowles for a cocktail lounge which will be called the Mural Room.

Extensive alterations including interior decorating and installation of the latest appointments and equipment are being completed by Design, Inc. The opening date has been set for Dec. 18.

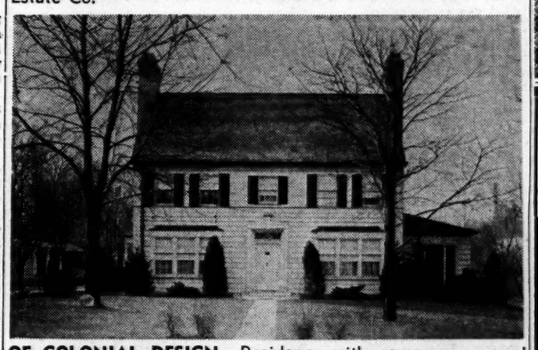
The space leased fronts 50 feet on De Baliviere and 88 feet on Waterman and formerly was occupied by the Chocolate Shop.

The Dorr & Zeller Catering Co. and office tenants on the second floor will continue to occupy the rest of the building.

The lessees operate the Deed-Marshall Package Liquor Stores at 4949 Delmar boulevard and 201 North Kirkwood road in Kirkwood.

All parties to the negotiations were represented by Arthur H. Fuldner, manager of the commercial leasing department of Oreon E. and R. G. Scott.

12-FAMILY APARTMENT—At 1901 Maury and 4466 Castleman sold by Mrs. Martha Weipert to Mr. and Mrs. Leo Krygel. The transfer was made through the Federer Real Estate Co.



OF COLONIAL DESIGN—Residence with seven rooms and three baths at 468 Hawthorne avenue, Webster Groves, sold by J. A. Semmelmeyer to J. F. Switzer. The Webster Groves Trust Co. negotiated for seller and purchaser.

BUILDING ON CASS AVENUE PURCHASED BY C. J. REINECKE

A three-story building, dated 1886, at the northwest corner of Seventeenth and Cass, has been purchased by Mr. and Mrs. Carl J. Reinecke from Henry T. Brinkwirth and Mrs. J. Reynolds Medart.

On the Cass avenue side, there are stores on the first floor, flats on the second and a hall on the third. The Seventeenth street side contains two four-family flats. A tenant of one of the stores has been there for 47 years. A resident of one of the flats recently moved after living there for more than 50 years.

The property was purchased in 1908 by the late Louis Brinckwirth from the Nolker family.

In the recent transfer, the E. A. Bokern Real Estate Co. represented the purchaser and Edward L. Bakewell the seller.

DEVELOPMENT OF 20 ACRES STARTED ON TOPPING ROAD

Plans for the development of 20 of the 60 acres purchased by a syndicate on Topping road, between Clayton and Manchester roads, have been virtually completed. Several one and a half-acre homesites have been sold and construction of residences will begin soon.

The 60-acre tract was transferred from the Shinnick heirs to the syndicate which acquired the property in the name of H. Alfred Stark.

Frank A. Singer made the sale.

186 OF 250,000 SMALL-HOME MORTGAGES TAKEN UP BY F H A

The Federal Housing Administration has had a favorable credit experience with small-home mortgages covering between 81 and 90 per cent of property valuations, Federal Housing Administrator Abner H. Ferguson, said yesterday.

Out of approximately 250,000 new small-home properties financed by FHA-insured mortgages exceeding 80 per cent of valuation, only 186 have been acquired by the FHA after foreclosure by lending institutions.

Up to Dec. 6, a total of 103 of the acquired properties had been resold by the FHA, resulting in an average loss of $501.80 to the Administration's mortgage insurance fund.

Ferguson explained that an average sales loss was inevitable in disposing of foreclosed properties since the excess proceeds, if any, on individual sales, over and above the insurance paid to lending institutons and costs of sales and repairs, must be refunded to lenders or borrowers.

The FHA has been authorized by Congress since Feb. 3, 1938 to insure loans up to 90 per cent of property valuation on new single-family dwellings built under FHA inspection for owner-occupancy where the mortgage does not exceed $5400. Previously, all FHA-insured home mortgages had been limited to 80 per cent of valuation.

FUNERAL HOME ON UNION REMODELED AND ENLARGED

Extensive alterations and the addition of a one-story building have been completed at the Drehmann-Harral Undertaking Co. at 1905 Union boulevard.

The chapel, with a seating capacity of 200 persons, has been redecorated and furnished with appointments of the Empire Period. An amplifying system has been installed to carry services to other parts of the first floor.

Offices with the latest in equipment are to the left of the main lobby. Lounge rooms and four large parlors occupy the rest of the first floor space.

A service quarters are on the second floor.

Charles F. Drehmann is president of the company and Elmer C. Drehmann, secretary.

Arthur Florian Payne was architect and the James H. Bright Construction Co., general contractor.

New Quarters For Curtain Firm

Midwest Company Leases 15,000 Square Feet at 13th and Washington.

The Midwest Curtain Co. has leased the sixth floor, containing 15,000 square feet of floor space, in the building at the southeast corner of Thirteenth and Washington.

The new location doubles the amount of space which the concern has occupied for the last eight years at the southeast corner of Twelfth and St. Charles.

J. Frank Beardslee is senior partner and Claude Beardslee is junior partner of the firm, which manufactures curtains.

The building at Thirteenth and Washington is owned by the Maffitt Real Estate Co. Arthur S. Martin & Son, agents for the property, negotiated the lease.

NEW OFFICERS AND DIRECTORS FOR COUNTY REALTY BOARD

The annual election of the St. Louis County Real Estate Board was held Wednesday evening at Van Horn's Farm. H. O. Hendricks of the Hendricks Realty Co., was elected president; John H. Armbruster, president of the Armbruster Realty Co., first vice-president; William Finke Jr., second vice-president.

The following were elected to the board of directors for a three-year term: B. Valle Grossman, Franklyn E. Meyer and John E. Eggers. S. Charles Harvey and William Bruemmer were named for one-year terms.

William Bruemmer, secretary of the Carl G. Stifel Realty Co., is the retiring president of the board.

Movable Home May Be Tested For Defense Plan

Herbert U. Nelson Surveys Possibilities if Demountable Houses Prove Practical — Repercussion on Handicraft Building Trades.

Herbert U. Nelson, executive vice-president of the National Association of Real Estate Boards, declares that demountable houses will have a tryout soon.

"For 10 years," Nelson said, "the possibility of a house built so it could be taken down and reassembled on a new site has been the talk of the building industry. Now the exigencies of the defense program give the engineers an opportunity to show what they can do.

"The Federal Government, it is understood, will try out demountable houses in a Maryland location where a naval powder factory is creating a demand for housing for its workers. The location is isolated, one in which after the defense program has been concluded there is presumably little prospect of further use for any housing that may now be built.

"Educational orders will be given, under the present plan, to various companies that have been working on the production of prefabricated housing units. Then the idea is that some of these houses be erected, and that the experiment be tried of dismounting them, and moving them by truck to some nearby location to be put together again.

"If units can be developed that will be practicable for such handling, practical both in operation and in cost, there is no doubt they will be extensively used in defense emergencies. Governmental authorities concerned with defense housing have clearly expressed their realization that in many situations housing permanent in its nature built for temporary use would result in ghost towns.

"If demountable houses can be developed for defense situations, use undoubtedly can be found for them after the emergency has passed. It has been suggested that they might be useful in slum clearance. They might be used in national and state parks as rental cottages for visitors.

"If demountable houses make good they will have far-reaching implications; not the least of these would be the repercussion upon the handicraft building trades."

170,000 NEW HOMES STARTED UNDER F H A TO DATE IN 1940

Thus far in 1940, preliminary reports show that about 170,000 new homes have been started under FHA inspection. This breaks all records for new construction under the FHA program, which in 1939, the previous peak year, totaled 142,000 homes.

Federal Housing Administrator Abner H. Ferguson said that this year's expansion brings to a 12-year peak the amount of new residential construction. He added that over 40 per cent of all new single-family homes built this year are being financed by the FHA. In many localities, particularly those where industrial operations are expanding rapidly, more than half of all new home construction has come under the FHA.

The value of the new homes built under the FHA this year totals approximately $750,000,000, exclusive of the owners' equity in the new properties.

Since the start of the FHA program in 1934, more than a half million new small homes have been built or started under the plan.

BROKERS' DIVISION ELECTS OFFICERS AND BOARD MEMBERS

At the annual election of the brokers' division of the St. Louis Real Estate Exchange, held last Tuesday, Francis R. Lowther of the Apex Realty Co. was elected chairman for 1941.

Other officers elected for the coming year are: vice-chairman, Eugene Darst of the John P. Dolan Realty Co.; treasurer, Herman Feigenbaum of J. M. Levi & Co.; secretary, Ben C. Finke.

The following were elected to the board of governors of the division to serve for a one-year term starting Jan. 1: Plesant Bradley, Laclede Bond and Mortgage Co.; William F. Duerbeck, Duerbeck Realty Co.; Ernest R. Hammer, Altmayer Real Estate Co.; Edward A. League, Carl G. Stifel Realty Co.; Francis Reardon, John J. Reardon, Inc.

J. G. DRISCOLL ELECTED HEAD OF MORTGAGE BANKERS' GROUP

At a dinner meeting of the Mortgage Bankers' Association at the Kings-Way Hotel Thursday evening, J. Gregory Driscoll, vice-president of General American Life Insurance Co., was elected president of the organization. A. Sproule Love is the retiring president.

Other officers elected were vice-president, Joseph H. Schenk, secretary of Williams McRee & Co.; treasurer, Victor Hallauer, management loan department of Shaw & Francis, Inc.; secretary, George Stolz, real estate officer at Boatmen's Bank.

Carl Harris, vice-president of Laclede Bond and Mortgage Co., Alfred D. Ruth, president of Julius Haller Realty Co., and Daniel Sheahan, vice-president of the John P. Dolan Realty Co., were elected directors.

Residential Transfers---Hotel on Lindell Sold

CANVASSERS AND SOLICITORS

SOLICITOR — For retail cleaning plant; great opportunity for right person. 5159 Easton av.

SALESMEN WANTED

MEN.

We don't care what your past work or earnings have been. We are not worried about your education, your religion or your nationality.

We are interested in how ambitious you are and how willing you are to work and study, to qualify for the kind of weekly and monthly earnings being made by men already connected with this organization.

You may be employed now but starving for lack of opportunity. You may be out of work and in need of employment. However, if you have been idle for more than a few months, we doubt if you are the kind of man who could hold down the place we have to offer.

It will cost you nothing to investigate this ad and, until we talk with you, we cannot tell whether you could qualify in our line which is outstanding in its field.

Come in for a preliminary interview, Monday morning, 9:15 to 1:15 only, at 512 Paul Brown Bldg., 9th and Olive sts.

YOUR LAST CHANCE!

YOUR FURNITURE NEEDS ARE HERE AT PRICES THAT WILL SURPRISE YOU

In Step With the Season

You are cordially invited to see our new Xmas displays, which include a selection of new occasional pieces styled in the smart and distinctive 18th Century period. Also reproductions of fine ENGLISH REGENCY and FRENCH models—Tables, Secretaries, Knechoie Desks, Occasional Chairs, etc.; beautiful old period finishes. ALSO MODERN PIECES IN MODERN FINISHES TOGETHER WITH MAPLE IN THE COLONIAL MANNER.

For this Xmas we have provided an excellent selection and as usual our prices are fair and low enough to merit your consideration.

SPINET—Fine make, used slightly; real bargain. 4021 Lee. Tuner.

SPINET—Cost $300, like

67th Week of the War

The British army in Egypt, after months of comparative inaction, opened a swift offensive in the western desert last week which netted perhaps as many as 30,000 prisoners and put the Italians to rout in the direction of Libya.

The full story of the fighting is yet to be told. It began at dawn last Monday when the British moved motorized units swiftly across 75 miles of desert to take the Italians by surprise. The drive captured Sidi Barrani, Italian advance base in Egypt, and put the British in complete command of the Egyptian coast.

British naval units and the R. A. F. supported the land forces.

Greeks claimed continuing successes on the Albanian front.

Pierre Laval, proponent of close collaboration between Vichy and Berlin, was thrown out as Vice-Premier and Foreign Minister of France, former Premier Pierre-Etienne Flandin succeeding him in the latter office.

Britain's Ambassador to the United States, Lord Lothian, died unexpectedly in Washington Thursday, interrupting negotiations on fresh United States aid for Britain.

Sunday, Dec. 8.—Greeks announce surrender of Argyrocastro, last Italian base on the Albanian frontier. Rome discloses resignation of Admiral Domenico Cavagnari, navy chief of staff, and airplane death of two Italian Generals, Pietro Pintor, 60, and Aldo Pellegrini, 52. British cruiser intercepts the 5033-ton German freighter Idarwald off the coast of Cuba and the freighter's crew scuttles it.

Monday, Dec. 9.—British Middle East forces strike at Italian outposts near Sidi Barrani, Egypt, reporting capture of 1000 prisoners and the death of an Italian commanding officer. Greek Government spokesman declares Italian right wing north of Porto Edda has collapsed and that Greek troops in northern Albania capture strategic mountain peaks. Germany reports the heaviest assault of the air siege of London, claiming 800 tons of bombs were loosed on the city.

Tuesday, Dec. 10.—Prime Minister Winston Churchill tells Commons that British troops apparently have Italian forces at Sidi Barrani entrapped; 4000 Italian prisoners are reported captured and Cairo newspapers declare that "this is the beginning of the end for Mussolini!" Adolf Hitler tells 12,000 Berlin munition workers and the Reich that he is the champion of the "have-not" nations against the "haves"—specifically including the United States. British Ministry discloses hanging of two German spies, the first executed in England since the war began.

Wednesday, Dec. 11.—British desert troops announce capture of Sidi Barrani, with 6000 prisoners including three Italian Generals. Italy admits reverses, but adds the British suffered "heavily." German raiders renew assaults on London after giving the capital a two-night respite and attack Liverpool, towns in Wales and southwest England. R. S. Hudson, British Minister of Agriculture, urges farmers to produce more food, saying Britain's food situation is "just as grim" as in the worst period of the World War. The Rumanian army gets expanded powers over nearly every phase of the nation's life as Iron Guard powers are curtailed.

Thursday, Dec. 12—British report Italy's invasion armies in headlong retreat from Egypt: announce capture of more than 20,000 prisoners. Prime Minister Churchill terms Sidi Barrani action a "victory of the first order." Rome newspapers warn Italian people against "false news of imaginary catastrophes." Sheffield, British steel and cutlery center, is pounded by Nazi bombers in raid which Germans describe as "a super Coventry attack."

Friday, Dec. 13—British navy and air force units and land legions in western desert offensive. Yugoslav border dispatches say bloodiest fighting of Balkan war rages in Northern Albania, where Greeks are driving toward Elbasani. Duke of Windsor confers with President Roosevelt aboard the U. S. cruiser Tuscaloosa at sea on United States defense bases in the West Indies.

Saturday, Dec. 14 — Rumanian railroad oil traffic is tied up by bridge fire. Fascist rear guard action is reported futile against British desert forces in Egypt; Greeks encounter stiff resistance in their drive toward Italy's central Albanian base, Elbasani. Rome spokesmen campaign against "defeatists, hoarders and profiteers." London has but one brief air alarm overnight; R. A. F. raids Nazi bases at Kiel, Bremen and Bordeaux. Pierre Laval, proponent of French-German "co-ordination," ousted as Vice-Premier and Foreign Minister of Vichy Government; succeeded as Foreign Minister by Pierre-Etienne Flandin. Laval reported to have plotted to put France in war against Britain.

CANADIAN FLYER FOUND DEAD; 2 PLANES IN SEARCH MISSING

Wrecked Monoplane Discovered in Swamp Near Camp Borden, Ont.

CAMP BORDEN, Ont., Dec. 14 (AP).—Aircraftsman C. P. Hopton of Cabri, Saskatchewan, missing two days, was found dead beside his wrecked monoplane in a swamp near here today, and two craft engaged in the search for him were missing.

Planes piloted by Lieut. P. Campbell and Sergt. L. Francis, Royal Air Force instructors at Camp Borden, were overdue.

Air force officials said the flyers had adequate rations, warm clothing and other articles in event they were forced to land.

Auto News and Notes

EIGHTY DEALERS REPRESENTING Chevrolet's retail selling organization the country over will meet in Detroit tomorrow and Tuesday as a dealers' advertising council to discuss Chevrolet advertising and correlated subjects, C. F. Fisken, advertising manager, announces. The council as an allied activity stems from the dealer committee system, whose delegates meet regularly in Detroit and represent all Chevrolet retail operators.

Fisken said the two-day conference would cover a variety of subjects, among which are the dealer co-operative advertising plan and newspaper advertising in general. Value of newspaper advertising, he said, was forcibly demonstrated throughout 1940, when Chevrolet dealers individually and the division itself, employed more advertising space in newspapers than in any other medium.

Principal addresses at the meeting will be made by M. E. Coyle, general manager, and W. E. Holler, general sales manager. Also, each of the division's assistant general sales managers will speak. They are T. H. Keating, W. G. Lewellen, A. Nimnicht and K. M. Chase. The first day's session on advertising has been developed by Fisken in co-operation with Chevrolet's advertising agency, Campbell-Ewald Co. of Detroit.

APPOINTMENT OF THE McDaniel Motor Co., 7835 Ivory avenue, as a Plymouth and De Soto dealer has been made by the Mound City Motor Co., distributer, of which George Weber Sr., is president. The firm occupies a building containing more than 23,000 square feet of floor space with a used car lot adjacent. It has redecorated its show room and its service department has factory-approved equipment as well as factory-trained mechanics. J. D. McDaniel is president of the company; Earl La Croix, vice-president, and Roland Wisa, service manager.

THE PRINCIPLE OF FLUID drive, which is used in the 1941 De Soto car, has long been used by the United States Navy in transmitting rotary power to various mechanisms which must be operated with ultra-smoothness and precision, according to engineers of the Navy and Chrysler Corporation. In the navy, the fluid drive mechanism is known as the hydraulic variable speed gear. As in the new De Soto, the device transmits power through oil from the driveshaft of the engine or motor to the mechanism it operates. In other words, engineers explain, one unit attached to the driveshaft, drives another, fastened to the transmission system, by forcing a current of oil against it, at variable rates of speed. Naval men agree that it transmits the smoothest power known. Naval uses of the hydraulic coupling include the revolving or training of the gun turrets of battleships and cruisers, the elevating and depressing of big guns, the powering of ammunition hoists and the operation of the steering engines of all ships, big and small.

J. H. MACK, GENERAL SERVice manager for the Chrysler Corporation, has announced an expanded program of technical education for Dodge, De Soto and Chrysler dealers' service men. "Our 1941 model technical meetings will be completed this month," Mack said, "with over 30,000 dealers' service men having attended the 500 or more meetings. District service representatives will now begin holding individual technical schools in dealers' service departments. In this way, we will be able to give more time to the individual mechanic, and with the use of newly developed equipment can be sure each serviceman becomes conversant with 1941 service methods."

WITH THE NEW PACKARD electromatic clutch installed in a car, a motorist can shift gears without touching the clutch pedal, for the clutch is engaged and disengaged automatically. Clutch action is smoother and timed more perfectly than can be accomplished manually by any driver.

The car steps away from a standstill without jerk or lurch, and it is virtually impossible to stall the engine on a start. The driver goes through the gears as he has been used to doing, but without touching the clutch pedal. Even at a stop, it is not necessary to touch the clutch pedal. The driver merely slows down with his brakes, and when he is ready to start, changes to first gear and steps on the accelerator. In starting there is no drag and when stopped there is no tendency for the car to creep.

While the clutch pedal could be omitted on cars equipped with this device, it is left on to be used when a driver may so desire, for starting in cold weather, or for using second gear as a brake on steep hills.

THE FORD DEALERS OF ST. Louis and St. Louis County have their own traveling Christmas show. It consists of a large decorated float mounted on a street car with a Ford super de luxe sedan as the center of the display. With a robust Santa Claus as driver, the float cruises the streets and shopping districts of city and county. Santa is impersonated by W. J. Murphy of the Public Service Co.

SOUTHWEST BANK

C. A. ("Pat") Blake has been appointed assistant zone manager at St. Louis for Oldsmobile, Harry Klees, zone manager, announces.

C. A. BLAKE.

Blake was formerly a dealer in Philadelphia. Later became a service representative for Buick and when the B. O. P. was formed served it as service representative.

Eventually, he was appointed assistant general service manager for Oldsmobile, and then became city sales manager in Los Angeles, Cal.

It was from that position that he came to St. Louis. Blake is well known to many dealers in the St. Louis territory.

GENERAL MOTORS TRUCK has started a series of dealer service meetings which will be held in all zone and direct key dealer cities between now and Dec. 20. Planned to acquaint the dealer service personnel with recent improvements and refinements in General Motors trucks and to educate this personnel in servicing these new features, the meetings closely follow a similar extensive series of dealer sales meetings held in all parts of the United States. The programs are under the direction of O. M. Brede, general parts and service manager of GMC.

In general, the programs will consist of the showing of a sound slide film covering the features of new models from a service standpoint, a silent slide film covering the maintenance of new models and additional subjects, and another sound slide film illustrating new parts and service merchandising advantages offered by GMC.

THE RESIGNATION OF M. J. Golden, for almost two years sales manager of Willys-Overland Motors, Inc., is announced by Joseph W. Frazer, president. His successor has not yet been appointed, and Golden has not announced his future plans. Golden went to the Toledo organization from the Chrysler Corporation shortly after Frazer left Chrysler to become president of Willys-Overland. During his tenure of office, Willys-Overland increased its dealer organization to more than 2300 outlets.

ALTHOUGH SNOW AND ICE slowed deliveries in the final 10 days of November, Pontiac retail deliveries for the month, held up by the record-breaking first 20 days, totaled 26,629, according to D. U. Bathrick, general salesmanager. This was only slightly less than the all-time high for October of 27,217. The month was the biggest November in Pontiac's history. Final 10 days deliveries were 8859 compared with 7676 in the same period of November, 1939.

BUICK IS PRODUCING CARS at the rate of around 1700 a day, and plans are to continue this schedule through December, January, February and possibly March, according to a Dow-Jones report. October Buick deliveries totaled 33,500 units and November sales were estimated at more than 32,000, while December sales are expected to aggregate at least 31,000. Fourth quarter Buick sales are figured at 96,500 units as compared with last year's 80,700. W. F. Hufstader, Buick general sales manager, estimates that demand in the first quarter of 1941 will run 10 to 15 per cent above that for the same period of 1940.

OLDSMOBILE SALES IN NOvember reached an all-time high for that month. D. E. Ralston, general sales manager, says that dealers reported sales of 7296 sixes and eights in the final 10 days of the month, as against 6297 cars sold in the corresponding period last year. "Oldsmobile sales in November totaled 22,258 units," Ralston said. Sales in November last year totaled 18,385. Sales for the first 11 months of this year have now reached 183,943, compared with 132,115 cars in the period last year." More than 35,000 1941 model Oldsmobiles with hydramatic drive, which eliminates clutch, clutch pedal and gear shifting, have been delivered to motorists.

PLYMOUTH CARS HAVE NEW ease of control through adoption of a new "get-away" gear in second speed, and new Powermatic Shifting that controls gear selection with virtually no effort on the part of the driver.

This year's floating power engine is stepped up in power output, with higher driving torque throughout the speed range. Also the engine is geared up higher to the rear wheels, through a higher axle ratio, further improving performance.

A new transmission gives 18 per cent higher gear ratio in second gear. Combination of these factors produces 26 per cent better performance in second speed, for quicker get-away on level ground. In driving the 1941 Plymouth, the engineers say, one normally need only "get-away gear" and high with low gear in reserve for extra power if needed on uphill starts or pulling out of mud and ruts.

Powermatic shifting, available at slight extra cost, uses power from the engine to eliminate virtually all shifting effort in changing to any gear, including reverse.

WILLCOCKSON MOTORS HAS opened a used car store with display space for 40 cars at 4714 Delmar boulevard, in the Koteman Building, which has been repainted and redecorated. Ernie Kassebaum has been appointed manager of the store.

NATION-WIDE WILLKIE CLUBS DISCONTINUED

But Conference Decides to Maintain Organizations on Local Basis.

NEW YORK, Dec. 14 (AP).—Representatives of Willkie clubs from throughout the nation decided today, after an all-day conference, to continue their organization—under a new name and independent of political parties—on a local and state basis for the present.

The 100 or more delegates authorized a committee of 12 to recommend whether a national organization should be formed.

In a resolution adopted with only a few dissenting votes, the conference dissolved the Associated Willkie Clubs of America and urged former members to join with "other men and women who were active in the Willkie campaign in organizing new local clubs and statewide associations which will serve the following primary purposes:

"(a) To encourage the exercise of the responsibilities of good citizenship by taking part in local political affairs, whether of state, county, district, ward or precinct.

"(b) To promote better understanding of current political affairs—national, state and local.

"(c) To encourage competent men and women who stand for the true liberalism to seek public office through the machinery of our two-party system."

The conference could not decide upon a name for the new organization and left that detail to the committee.

Oren Root Jr., head of the Associated Willkie Clubs of America, presided and delivered the keynote address in which he said that "now, it seems to me, is the time for me to step down."

He said any future course adopted by the organization should "very clearly be entirely free" of the political fortunes of Wendell L. Willkie or those of any other man, in accordance with Willkie's expressed wish.

Willkie did not attend the conference, but was expected to be present at a reception for the delegates tomorrow.

Middle West G. O. P. Leadership Being Considered.

CHICAGO, Dec. 14 (AP).—Republican officials from 10 Central States today considered a suggestion that they organize and make a concerted move to place the party's national leadership in the Midwest.

The meeting was closed but one of the conferees reported that a proposal for forming a permanent organization had been advanced. Such a step might be taken, he added, "to put the Republican leadership where it belongs—in the Middle West."

He pointed out that the party had showed its greatest strength in the Midwest in the November election. Indiana and Missouri were not represented.

ORVILLE WILLIAMS' FUNERAL TOMORROW; ILL FOR 8 YEARS

Had Been Confined to City Hospital by Arthritis All That Time; Died Friday.

The funeral of Orville Williams, 26 years old, who died Friday of heart disease at City Hospital, where he was confined for eight years under treatment for arthritis, will be tomorrow afternoon at 1 o'clock at the McLaughlin undertaking establishment, 2301 Lafayette avenue. Burial will be in St. Matthew's Cemetery.

His stay was one of the longest in the annals of the hospital. Suffering from hyperthropic osteoarthritis, he entered the institution at the age of 18 and never left. In spite of the fact that he was almost helpless, he got around in a wheelchair, and was "surprisingly cheerful, always smiling and glad to see people," Dr. Avery P. Rowlette, medical director, related.

The disease became progressively worse as the years passed but the youth cheerfully insisted on keeping busy in the occupational therapy department. His chief diversion was listening to the radio. Surviving are his mother, Mrs. Nora Williams, 1210A Morrison avenue; a sister, Mrs. Beulah Pascow, and two brothers, Arthur and Harvey Williams.

KIRKWOOD TO VOTE ON BONDS FOR NEW CITY HALL, PARKS

Balloting on Jan. 4 to Decide Fate of Four Civic Projects.

A new City Hall and public parks are among the improvements on which the citizens of Kirkwood will vote at a special bond issue election Jan. 4.

Four items, for which it is proposed to issue $148,000 in bonds, will be on the ballot. For the purchase and improvement of park sites Proposition No. 1 calls for a bond issue of $65,000. To acquire a new City Hall, Kirkwood proposes bonds of $33,000, to be augmented by $75,000, which will be sought from the WPA.

Other improvements involved in the election are extending the capacity water plant, $35,000 in bonds, with $15,000 from the WPA; increasing the facilities of the sewage disposal plant, $15,000 through bond issue and $25,000 from the WPA. The propositions require a two-thirds majority to pass.

2,000,000 WPA Toys.

WASHINGTON, Dec. 14 (AP).—The WPA said today that some 2,000,000 toys would be distributed from its workshops to underprivileged children this Christmas.

POLICEWOMAN'S THREE QUESTIONS TRIP SOOTHSAYER

A Widow, She Is Told Her Husband 'Is Running Around With a Blonde.'

For a dollar bill Mrs. Elva Braun, a policewoman, was permitted to ask Mrs. Rebecca Edwards, a Negro soothsayer, three questions. When she heard the answers she had Mrs. Edwards arrested on a charge of fortune telling, and tomorrow morning Mrs. Edwards will get a chance to try her magic in Police Court.

The questions Mrs. Braun asked were: "Is my husband running around with anybody? Will my sick friend recover? Will my financial outlook improve?"

Mrs. Edwards did a little mumbling and then reported to Mrs. Braun that her husband was indeed chasing around with a blonde, but that she shouldn't let it break up her home. Her sick friend would recover soon and her financial situation would pick up quickly.

Mrs. Braun, who makes $140 a month, said she liked hearing the part about the financial pickup, but thought she'd better have the woman arrested anyhow. For she has no sick friends and she has been a widow for 15 years.

N L R B HEARING TOMORROW FOR SHOE MACHINERY FIRM

United Corporation Accused of Unfair Labor Practices at Plant.

A National Labor Relations Board hearing on a complaint charging the United Shoe Machinery Corporation with unfair labor practices at its plant at 4045 Forest Park avenue, will begin tomorrow at the Federal Building.

A complaint issued by Miss Dorothea de Schweinitz, regional director for the Labor Board, alleges that Thomas Buerskens, an employe, was discharged Aug. 22, 1939, for union activity. The complaint charges further that the company refused to bargain with the AFL International Association of Machinists, which contends that it represents a majority of the 40 employes, and that W. W. Bradbury, manager, and Walter McDonald, foreman, informed employes that the plant would be moved from St. Louis unless union activities ceased. The manager and foreman are also said to have advised employes how to vote in the event of a Labor Board election on a bargaining representative.

The hearing will open at 10 a. m. before Trial Examiner J. J. Fitzpatrick of Washington.

UNION FINDS OFFICER GUILTY OF COMMUNISTIC ACTIVITIES

Airplane Mechanics at Seattle Accept Trial Board Report Against Donald R. Keppler.

SEATTLE, Wash., Dec. 14 (AP).—Members of the Aeronautical Mechanics Union, Local 751, voted 429 to 344 today to accept a report declaring Vice-President Donald R. Keppler "guilty of Communistic activities."

The union, an AFL affiliate, has a membership of 8000 employes of the Boeing Aircraft Co. here.

The vote came on a report by a "trial board" appointed by the union president to investigate various charges against 16 union members and officials. Keppler in a statement denied he was a Communist.

The trial board submitted an additional recommendation that Keppler "be expelled from the union and fined $5000 subject to the approval of the executive board of the International Association of Machinists." No vote was taken on this suggestion.

FARMHAND IS CONVICTED OF KILLING SCHOOL TEACHER

Hadley Eaton Given Life Term for Death of Mrs. Ethel Dingle at Shelbyville, Mo.

SHELBYVILLE, Mo., Dec. 14 (AP).—A jury tonight convicted Hadley Eaton, 32-year-old farmhand and trucker, of the shotgun murder of Mrs. Ethel Dingle and fixed his punishment at life imprisonment.

The jury returned its verdict after deliberating about two hours. The defense based its case on the ground Eaton was insane at the time of the killing.

A note found on the defendant the day of his arrest revealed Mrs. Dingle had refused his proposals of marriage.

Mrs. Dingle, a divorcee, was shot to death last March 8 as she and another teacher were leaving the Shelbyville grade school grounds. Eaton was arrested the following day after an all-night search by a posse of officers and armed citizens.

BANDS CRYING 'HEIL HITLER' INTERRUPT MOVIE IN MEXICO

Theater Showing "The Man I Married," an Anti-Nazi Film, Stench Bombed.

MEXICO CITY, Dec. 14 (AP).—Roving bands shouting "Heil Hitler" interrupted the showing of the film, "The Man I Married," tonight in eight motion picture theaters and fled before police could be called. Witnesses said there were about 30 or 40 persons in the shouting groups in each theater.

The cries of "Heil Hitler" were the signal for a volley of tear and stench bombs into the audiences. Ushers quickly opened all doors and when the fumes were gone the film was finished without interruption.

The picture tells the story of the conversion of a husband to Nazism, bringing tragedy to himself and his family.

6,000,000 RISE IN JOBS PREDICTED FOR 1942

Twentieth Century Fund Urges Simplified Defense Production Processes.

NEW YORK, Dec. 14 (AP).—The Twentieth Century Fund, an institute devoted to economic research, predicted today that national employment would increase about 6,000,000 by the fall of 1942.

In a report surveying labor policy under the defense program, the Fund said that "labor shortages can exist in certain localities or trades in spite of considerable unemployment in other areas."

Acute shortages of aircraft supervisors, specialized shipyard craftsmen and tool and instrument makers were cited as current examples by the research staff, which is headed by Prof. Lloyd G. Reynolds of Johns Hopkins University.

Such specific conditions should not obscure the labor picture as a whole, the report said, adding:

"It would certainly be wrong to conclude that all employable workers will have jobs by the end of 1942. . . . Many of the unemployed will not be absorbed because they are in the wrong places or the wrong occupations, and there may well be unemployment of 2,000,000 or more even at the peak of defense production."

To help remedy the skilled labor shortage, the report proposed the "drastic expedient of breaking down production processes into simpler elements, which can be performed by workers with only a few months' training."

This process of dilution "strikes at the basis of the trade union by disintegrating the trade itself," the research staff contended.

"Dilution is a one-way road, and it will not be possible after the crisis to restore to the skilled trades the work which has been lost to them in the meantime.

"Naturally, therefore, the unions want to delay the process until it is absolutely necessary. They seem willing to compromise, however, provided the new semi-skilled workers are paid the rate previously earned by journeymen on the same work."

The report stressed the desirability of having both labor and employers represented on all agencies working out questions of training and dilution.

248 RESERVISTS TO LEAVE TUESDAY FOR DUTY IN HAWAII

Will Serve Aboard Three Destroyers With Base at Pearl Harbor.

Eight officers and 240 men of the Thirty-fifth, Thirty-sixth and Thirty-seventh Divisions, St. Louis Naval Reserve units, will leave Union Station at 1 p. m. Tuesday under orders to report at San Diego, Cal., for destroyer duty in Hawaiian waters. They are among 17 divisions of the Ninth Naval District whose call to active duty was announced Nov. 23.

The Thirty-fifth Division, under Lieut. J. D. White Jr., will serve on the U. S. S. Schley; the Thirty-sixth, Lieut. Comdr. John W. Smith, on the U. S. S. Allen, and the Thirty-seventh, Lieut. Charles F. MacNish, on the U. S. S. Chew. All three destroyers are based at Pearl Harbor. Lieut. Comdr. Charles L. La Barge, who has been commander of the Thirty-seventh Division, will leave today for Chicago to take command of the Twenty-third Division, which also is to leave Tuesday. It will be assigned to the U. S. S. Hayward, a recently acquired commercial vessel being converted into a transport.

Capt. G. F. Schwartz, commander of the Sixth Naval Reserve Area, will remain here in charge of activities of the Thirty-eighth Division, as yet unassigned to active duty, and of the 20 men of each of the other divisions not yet ordered to active duty. Most of these men, recruits, are expected to be ordered soon to Great Lakes Naval Training Station for intensive training.

COL. LINDBERGH'S TALK HERE PUT OFF, POSSIBLY FOR MONTH

Sponsor Says Planned Program Would Also Include Talk by U. S. Senator.

The scheduled speech of Col. Charles A. Lindbergh, at Municipal Auditorium Tuesday night, has been postponed, it was announced yesterday by O. K. Armstrong of the No Foreign War Committee, in charge of arrangements.

Armstrong said it was found that more time was needed to prepare the kind of program desired by the committee. He said a date in January would probably be and that besides Col. Lindbergh, a United States Senator, an American Legion representative and a business man would be asked to speak.

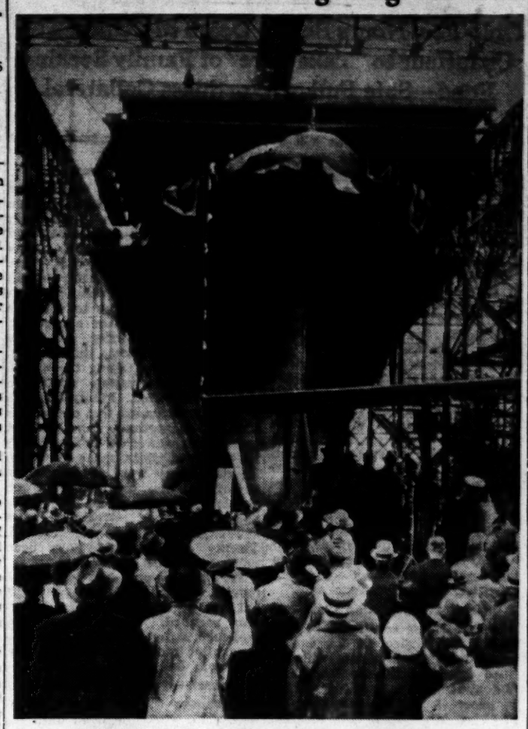
POLICE AID PROMISED UNION

Lambert Says Food Stores Selling on Sunday Will Be Closed.

Maj. Albert Bond Lambert, president of the Police Board, said yesterday that police would co-operate with the Meatcutters' Union in closing up food stores which violated the law against Sunday sales, but that the union would have to inform police of specific violations.

Nick Blassie, president of Meatcutters' Local No. 88, sent a letter to Lambert yesterday complaining that some delicatessens and confectioneries were selling meat and foodstuffs on Sundays. The law permits them to sell "immediate necessities," which usually has been interpreted as cooked and prepared foods.

7th U. S. Plane Carrier Launched; Will Handle 83 Fighting Aircraft



—Associated Press Wirephoto.

U. S. AIRCRAFT CARRIER HORNET sliding down the ways at Newport News, Va.

NEWPORT NEWS, Va., Dec. 14 (AP).—Launching of U. S. S. Hornet here today gave the nevy a total of seven aircraft carriers, a number equal to that of Japan, and left the Newport News Shipbuilding and Dry Dock Co. with naval defense contracts yet to be filled totaling nearly a half-billion dollars.

The Hornet, designed to carry 83 planes and capable of making about 35 knots, will cost an estimated $40,000,000, when her armament, including eight five-inch anti-aircraft guns and 32 anti-aircraft machine guns, is installed. The contract price was $31,800,000.

Mrs. Frank Knox, wife of the Secretary of the Navy, christened the new carrier while her husband, witnessing the first launching of a capital ship since he became a member of the Cabinet, stood beside her on the rain-swept platform.

The Hornet is one of 12 new carriers being built by the United States. Seven of the others are to be constructed here at a cost of $317,086,000. Great Britain now has six carriers and is building six others, according to Oct. 26 figures, while Japan was listed as building three. Germany has one carrier and was listed as building another; Italy has none.

Knox, wearing a battered gray felt hat and chatting with Gov. James H. Price of Virginia and naval officers during the brief christening ceremony, declared he was "especially pleased" with the progress being made on the defense program in the Newport News yard.

Ocean-Going Machine Shop for U. S. Fleet Floated.

CAMDEN, N. J., Dec. 14 (AP).—The U. S. S. Vulcan, a $12,997,000 ocean-going machine shop designed to care for the mechanical needs at sea of the nation's expanding navy, was launched today at the New York Shipbuilding Corporation's yards.

Mrs. James V. Forrestal, wife of the Undersecretary of the Navy, sponsored the 9000-ton repair ship and Mrs. Rodman Wanamaker of Washington and Philadelphia acted as matron of honor. Because of stringent defense regulations—a battleship, 17 cruisers and two seaplane tenders are under construction in the same yards—only naval and company officials, their friends and workmen witnessed the brief ceremony.

Details of the vessel's construction were not made public. Authorized by Congress May 17, 1938, the Vulcan's keel was laid Dec. 26, 1939.

FASHIONABLE SECTIONS WILL PROVIDE OWN CAROL SINGERS

Funds Collected by Neighborhood Groups to Be Used to Aid Needy Children.

Christmas carolers visiting homes in fashionable St. Louis County districts this Christmas eve will be recruited from these districts rather than "imported" from the city or other parts of the county, the Christmas Carols Association announced yesterday.

The new singing groups are being organized by county women under direction of Joe Getlin, 15 Waverton drive, Ladue, director of the Deerfield Club for boys and a member of the Carols Association board. Virtually all the other county communities also will have neighborhood caroling groups. Funds collected are used for underprivileged children.

District chairmen elsewhere in the county include W. G. Stanton for Maplewood; Mrs. Arthur J. Widmer, Webster Groves; Mrs. John D'Arcy, Kirkwood; Mrs. Mae Guidy Weiss, Glendale; Mrs. Henry G. Polkert, Ferguson; H. W. Wissner, Normandy and Pine Lawn; Preston G. Orwig, University City; Mrs. George Lamke, Clayton; Miss Gladys C. Mourton, Richmond Heights; Menta L. Harness, Brentwood; Mrs. Arthur F. Bangert, Florissant, and J. L. McDaniels, the Rev. J. E. Ernst and Arthur H. Hoech, Overland.

CHILD WHO SET FIRE TO HER CLOTHING DIES ON BIRTHDAY

Judith Metcalf Was Burned While Playing With Matches at Grandmother's Home.

Judith Metcalf died on her second birthday yesterday at the Deaconess Hospital of burns suffered two weeks ago today when she set fire to her clothing while playing with matches in the kitchen of the home of her grandmother, Mrs. Frank Mead, 321 Park road, Webster Groves. She was the daughter of Mr. and Mrs. Ralph Metcalf, 433 Way avenue, Kirkwood.

The girl and her 8-year-old brother, Mead, were alone on the ground floor of the house at the time of the accident, a member of the family said yesterday. The grandmother was at church and the nurse had gone upstairs for a moment leaving the two children in the living room listening to a phonograph.

The younger child wandered into the kitchen and apparently took the matches from a table drawer. The brother ran in when he heard her cry and rolled her on the floor, putting out the blazing dress. Metcalf is a heating engineer for the Minneapolis-Honeywell Regulator Co. here.

CENTRAL STATES LIFE TO PAY DEATH CLAIMS

State Superintendent Authorized to Carry on Business of Insolvent Firm.

Full death benefit payments and 40 per cent payments on matured endowment and annuity contracts with the insolvent Central States Life Insurance Co. were authorized by Circuit Judge Joseph J. Ward yesterday in an order enabling State Insurance Superintendent Ray B. Lucas, who took over the company Nov. 26, to keep insurance in force and conserve assets pending reinsurance or other disposition of the business.

During this period Lucas will not be required to pay in cash any dividends or policyholders' funds left on deposit with the company but 40 per cent of such deposits may be applied on premiums. Previously the Court had authorized loans up to 40 per cent of policy's loan valut for the purpose of paying premiums.

Under the order no interest will be paid on the deposits. Payment of the 60 per cent depends on further order of the Court.

Lucas obtained authority also to sell a 12,000-acre ranch at Greeley, Colo., for $55,000, of which $20,000 would be paid in cash. Gordon P. Henderson, secretary-treasurer of Central States, said the company's investment in the property was $61,000 at most and that he considered the $55,000 offer a good one.

COURT ASKED FOR ORDER TO CLOSE ARROW CLUB

Petition Says Tavern Has Become "Resort of Idlers" Annoying Neighbors.

Petition for an injunction to close the Arrow Club, a tavern at Warson road and Oak avenue, was filed in Circuit Court at Clayton yesterday by Prosecuting Attorney Stanley Wallach.

The petition said the tavern has become "a resort of idlers," who "shoot, whoop, curse and swear" to the annoyance of residents in the neighborhood. The premises are owned by Mr. and Mrs. James C. Cotter, it is alleged, but the tavern is operated under a 3.2 beer license issued to Fred C. Meyer, whose name was used as a "subterfuge," the petition said, after a permit had been refused the Cotters.

Judge Nolte issued an order to show cause why the injunction should not be granted, returnable next Wednesday.

GEN. DRUM SAYS U. S. CAN'T LIMIT DEFENSES

More Than Frontiers Subject to Attack by Planes, He Warns.

NEW YORK, Dec. 14 (AP).—Lieut. Gen. Hugh A. Drum, commander of the First Army, declared today that limitation of defense to the nation's shore and land frontiers would "expose our coastal cities and industries to bombardment and our people to large losses" in the event of war.

Many persons, "prompted by a desire for peace at all honorable costs," he said at a discussion meeting of the National Republican Club, "conceive our sole defense mission to be to keep war out of the continental United States."

"They believe," he said, "that this can be accomplished by limiting our defense measures along our shore and land frontiers, failing to recognize the ever increasing range and power of aviation."

Gen. Drum asserted that, "in the final analysis, the decision as to what we are to defend rests with the American people and not alone with the military establishment."

Reviewing the organization of the army in the past, the military leader said he recognized "a certain degree of accuracy" in the statement that "within the United States our army was remarkably well organized to fight any number of Indian wars."

The old territorial pattern of army organization, he said, had been replaced by an organization plan that "contemplates the creation of a mobile ground force, divorced from territorial restrictions, trained and equipped for prompt service wherever and whenever needed."

"The outstanding lesson in the current warfare," he said, "is that the power of the offensive has been re-established, and that, with it, mobility has returned to the battle field as a decisive factor."

Gen. Drum declared that "nothing could be further from the truth" than "the popular idea that the soldier has become a small cog in the great machine of warfare."

"In fact," he said, "modern mechanized warfare places upon the individual soldier the greatest responsibility any individual ever has undertaken in any war."

CANARY SHOW TROPHIES TO BE AWARDED TODAY

American Singers, One of Last Classes, to Perform Privately for Judges.

Judging will be completed today in the third annual canary show of the Greater St. Louis Cage Bird Club at the Claridge Hotel and the show will end with the awarding of trophies beginning about 3 o'clock. One of the last classes to be judged will be the American singers, which will perform for the judges behind closed doors while amplifiers carry their songs to other parts of the mezzanine.

Canaries entered by Fred W. Luebeck, Knox, Ind., took first place in both the Yorkshire and crested Norwich classes. Winners in other classes in which judging had been completed last night were: Border fancy, Mrs. A. Lepper, Kansas City, Mo.; siskin cross, Oliver Cordes, St. Louis; Norwich plainhead, Mrs. C. Potter, Detroit, and any other variety, Sol Schlansky, St. Louis, with a lizard canary. After winning birds have been selected in all 12 classes, one bird will be selected as "best in show."

A. R. Halter, president of the club, said the number of birds entered was about 800, double that of last year. Thomas Reidl, Chicago, is judge of the roller class, and Lorne Tinsdale, Windsor, Ont., assisted by Mrs. Helen Kneller, Bloomington, Ill., is judge of other classes.

63,909 MISSOURIANS GET UNEMPLOYMENT INSURANCE

November Payments Put at $513,067; $6,667,057 Paid Since First of Year.

JEFFERSON CITY, Dec. 14 (AP). — Unemployment insurance amounting to $6,667,057 has been paid eligible Missouri unemployed workers during the 11 months of this year.

Chairman Andrew J. Murphy Sr., of the Unemployment Compensation Commission said November payments—totaling $513,067 and paid to 63,909 persons—represented an increase of 14 per cent over October benefits of $449,782.

RUBY KEELER'S TAX TOO HIGH

WASHINGTON, Dec. 14 (AP).—The Treasury said today that it over-assessed Ruby Keeler Jolson, dancing star of the stage and movies, $50,346 on her 1936 and 1937 incomes.

All but about $5000 was due to the elimination from taxable income of certain amounts which the Internal Revenue Bureau found represented the separate income of her former husband, Al Jolson, stage star, and which had been included in his taxable income. She obtained a divorce in 1939.

DISABLED VETERAN IN DEFENSE

Vincent E. Schoeck, national commander of the Disabled American Veterans of the World War, will speak on the organization's co-operation with the preparedness program at an open meeting at 8:30 p. m. tomorrow at the D. A. V. Club, 3737 West Pine boulevard.

Schoeck, a Detroit attorney, will make his official visit to Veterans' Hospital, Jefferson Barracks, Tuesday.

FUNERAL TOMORROW FOR V. P. WIG-MAKER

Andrew Fueger Had Fashioned Masks for Parade Since 1880, Saw One Coronation.

Funeral services for Andrew Fueger, who made the wigs and masks for every Veiled Prophet parade since 1880, will be at 8:15 a. m. tomorrow from Weidemueller undertaking establishment to St. Pius' church, Grand boulevard and Utah place. Burial will be in Old SS. Peter and Paul's Cemetery.

Mr. Fueger, outstanding costumer of his generation, died of infirmities of age Friday, in a private hospital. He was 85 years old and resided with a niece, Mrs. Viola Clarke, 3540 McKean avenue. His wife, Mrs. Florence Pickel Fueger, died in 1927.

Just before his last illness began, with a cold a month ago, he had completed the wigs and beards for the Scruggs-Vandervoort-Barney Christmas display. "I must get down there," he fretted, "and see that they're all right."

He never missed a Veiled Prophet parade, but only once did he see the coronation, although he did the costumes, including the Queen's ceremonial robe, for 19 years. Last-minute touches, he explained, prevented him from getting into the ballroom on time.

Trained by Father.

Trained in Germany by his father, he opened his shop in 1880 at 520 Walnut street. Just east, on Broadway, was the Olympic; west, at Sixth street, Haviland's. Two years later, when Frederick de Belleville came to St. Louis in "Silver King," his wig for the performance was lost en route. Mr. Fueger made a new wig overnight, one that remained, in his estimation, the finest of his career.

Broadway liked it, too, and soon after De Belleville returned to New York, the great stars began ordering Fueger costumes from St. Louis. James O'Neill, whom Mr. Fueger costumed for "The Count of Monte Cristo" and other roles, spread his reputation further. His clientele included Mary Anderson, Lillian Russell, Della Fox and Blanche Bates.

For the first few years, the Veiled Prophet and his court arrived by boat. The costume was changed in 1888, Mr. Fueger would recall, because soot smirched wigs and costumes alike.

Finest Work for Prophet.

His finest job for the Veiled Prophet, he considered, was the "Courts of the World," in 1904 World's Fair time; most interesting, the Jekyll and Hyde wig for Richard Mansfield, which changed with the characters at the sweep of a hand.

His "retirement" in 1914 did not interrupt his work for the Veiled Prophet. Costumers the country over engaged him for special wigs and consulted with him on difficult problems. The National Costumers' Association made him its only honorary member. He spent every Saturday at St. Louis Costume Co., now at 507 North Broadway, to which he sold his place in 1914.

Sometimes he appeared with an armful of wigs. They were his recreation. He made them at all hours, related an associate, without eyeglasses even at 85, for he could do them "by fingers alone."

Sisters, 15, 17 and 18, Wed Soldiers.

LEXINGTON, S. C., Dec. 14 (AP).—Three sisters, aged 15, 17 and 18, were married here this week, each to a soldier stationed at Fort Jackson. Each soldier hails from New England.

Funeral of Julius A. Baer Today; Friends Recall Acts of Kindness

Only Few Hours Before Death Merchant Told Chauffeur to "Take Care" of Family Seeking Food—Safe Full of Worthless Collateral.

Private funeral services will be held at 11 o'clock this morning for Julius A. Baer, a founder of the Stix, Baer & Fuller Co., whose friends and employes were as proud of his little-known kindnesses as they were of his accomplishments as a merchant.

The service will be at the home of his son and successor as company president, Arthur B. Baer, 9425 Ladue road, Ladue. Burial will be in the family vault at Mount Sinai Cemetery.

Only Thursday, a few hours before he died, Mr. Baer received a letter from a woman he did not know. She wanted food for the holidays for herself and children. He turned the letter over to his chauffeur and trusted companion, Edward C. Borntraeger. "Take care of this, Ed," he said. The chauffeur knew that meant to fill the car with groceries and take it to the family. After the funeral, he intends to fulfill the last order.

"Mr. Baer didn't believe in turning letters like that over to charities," the chauffeur said.

Safe Full of Worthless Collateral.

In Mr. Baer's comfortable office on the fourth floor of the department store stands a safe which is filled with worthless collateral. "He knew it was worthless when he accepted it," his secretary for 20 years, Mrs. Hazel Hill, recalled. "But he knew the people who gave him the paper and cheap jewelry needed help. He wouldn't turn them down."

A woman had a $3000 mortgage coming due and couldn't pay it. Mr. Baer gave her the money. A salesman owed him $1000, said it would be impossible to meet the obligation but thought he could pay $500. Mr. Baer reduced the obligation to $500. Many poor families received loads of coal without knowing where they came from or how it happened someone knew they needed coal. Information like that somehow reached the busy store executive.

He was fiercely proud to be head of the large store, but if he saw a table which he thought was out of place in some department, he would tell a salesman to take one end and together they would move the table. Once a salesman who didn't recognize Mr. Baer got in an argument with him over how to display some merchandise. Taking him by the arm, the president led the salesman outside, pointed to the sign, "Stix, Baer & Fuller," and said, "When that reads 'Stix, Baer & Green,' you can decide how to do it."

Looked After Basement.

A short, stocky man, always wearing a fresh, red carnation, he spent every day walking up and down the aisles, particularly in the basement and on the main floor. His associates often joshed him about spending so much time in the basement. "No one else cares much about the basement," was his stock reply.

He saw and heard everything. If customers stood around, waiting for service, he would take care of them himself. It was one of his basic rules that customers should not be kept waiting. Another rule was never to permit a customer to leave dissatisfied.

The rule he insisted on above all others and the one he had printed and displayed for all employes was: "This establishment does not conduct its business by clever tricks or cunningness. Be open, truthful and honest above all else."

After Retirement.

Only between 5 and 5:30 in the afternoon was his secretary able to keep him in one place long enough for him to sign checks and correspondence. Until his health declined he caught up with work on Sunday mornings. After he had retired from active management and came to the store to visit his son he would look for excuses to get out of the office and then saunter away to look things over.

He insisted on telling the public as clearly as possible what the store had to offer. Plenty of signs in each department was one of his constant suggestions. Another was "no white space in advertisements." He regarded white space as waste. He read every word in the store's advertisements, and insisted on absolute clarity. When the store had 16 pages of advertising in a newspaper he was dissatisfied. Twenty or 24 would have been much better, he insisted.

For relaxation, he loved the movies, "none of the heavy stuff but mostly good comedy," his chauffeur recalled. When his son established a foundation in his name to exhibit movies to shut-ins, Mr. Baer was delighted.

Associates Got His Radishes

His hobby was his farm on Conway road, where he lived until his wife died two years ago. There he raised mostly garden products, especially radishes. Store executives dined so frequently on radishes that they composed a tribute in verse to the free vegetables. The framed jingle and a cartoon of the diners hangs on a wall in his office.

His interest in gardening and the impression made on him by community gardens which he saw on a visit to Germany led him to establish two Health Thrift Community Gardens here. The seeds, plots of ground and supervision were all furnished free by him. As a result of that project in 1932, long before a food stamp plan had even been discussed, he was twice nominated for the St. Louis Civic Award, given to the outstanding citizen of the community.

As one of his old friends recalled memories of their association in his office yesterday a man came in to ask a favor. "Mr. Baer was a great man," he said. "The Greek community would like to send two priests and a band to take part in the funeral." He was thanked and informed that the service would be private.

One of His Last Gifts.

Mr. Baer was a large donor to charities of all denominations, but, shunning public appearances, refused to speak at their annual meetings. One of his last gifts was a donation of gymnasium equipment to the Convent of the Good Shepherd, 3801 Gravois avenue.

An enthusiastic buyer, he would amaze his merchandise men by sending back from vacations abroad huge quantities of Japanese fly traps, pin cushions, azalea plants and wheels of Swiss cheese. He would plan a promotion campaign and, to the surprise of his staff, dispose of his odd purchases. He sent so many unusual items, mostly small things, from all parts of the world that a special department was created for him, the J. A. B. department. Once he went to a Southern resort for his health and bought a nursery.

His 2500 employes, almost all of whom he knew personally, were his principal interest. He not only inquired about their health and their families, but also established camp scholarships for their children and created, with his brother, Sigmund, a $100,000 pension fund for them.

Up to the time of his death at 80, he smoked many cigars, against his physician's orders. He also ate heavy foods against orders and drank lots of coffee and little water, reversing his doctor's suggestion. Occasionally on returning home on a cold day, he and his chauffeur took a stiff drink, and Mr. Baer would cough and sputter, but the chauffeur would down it easily. "I'd give $50 if I could drink like that," Mr. Baer would say.

The last of the four founders of the store, a merchant, who started as a penniless immigrant from Germany, he will be remembered as the man who gave the store a "soul," a veteran employe summed it up.

$20,000 GIFT TO BUILD CLARKSVILLE CHURCH

Anonymous Contribution Received on Centennial Observance of Missouri Diocese.

Construction of a Colonial brick Episcopal Church at Clarksville, overlooking the Mississippi River, has been made possible through a $20,000 anonymous gift received by the Rt. Rev. William Scarlett, Bishop of the diocese of Missouri, which is observing its centennial.

The church, which will seat 200, supplants a frame structure erected in 1869. The cornerstone of the old church was used as the cornerstone for the new. Bishop Scarlett and the Rev. David Coombs, rector of Calvary Church, Louisiana, who also serves the Clarksville parish, conducted cornerstone laying services Nov. 30.

Plans for the new church were prepared by the architectural firm of Nagel & Dunn. Constructed primarily of hand-made red brick, it will be topped by a stainless steel, 40-foot steeple. It is scheduled to be completed this winter.

EX-CONVICT HELD FOR FALSE ANSWER TO DRAFT QUESTION

James J. Testa Accused of Withholding Fact He Served Term for Felony.

James J. Testa, an unemployed machine operator, was charged with making a false statement in answering his draft questionnaire in a warrant issued yesterday by United State Commissioner John A. Burke. It was the first warrant of its kind issued here.

Assistant United States Attorney Herbert H. Freer, who asked for the warrant, said Testa in his questionnaire reported he had not been convicted of a felony or treason. However, in 1929 he was sentenced to 10 years in the Elmira Reformatory, New York, on a robbery charge and was paroled after serving a year, Freer said.

After his parole, Testa adopted the name Michael P. Norman. He is 33 years old and lives in the 1400 block of Farrar street. The offense of making a false statement on fitness for army service is a felony punishable by a prison term up to five years or a maximum fine of $10,000. Testa is a prisoner at City Hospital, under treatment for an undetermined ailment.

Ordnance Plant Sites Picked.

WASHINGTON, Dec. 14 (AP).—Sites for four additional naval ordnance plants to cost approximately $35,000,000 were announced today by the Navy Department. Acting Secretary James Forrestal announced that one of the plants would be located near Detroit, one near Canton, O., another at Indianapolis, Ind., and the fourth at Macon, Ga.

Talk on India's War Policy.

W. B. Schleiter, vice-president of Muller & Phippa, Ltd., New York, will discuss trade conditions in India, Burma and Ceylon at a luncheon meeting of the Foreign Trade Bureau of the Chamber of Commerce Tuesday at Hotel Mayfair. Schleiter, who has represented the firm in those countries since 1929, will also discuss India's war policy and Gandhi's apparent attitude toward Britain.

THIS YEAR SEND . . . .
A Lasting GIFT

When you play Santa Claus to your out-of-town friends this year, send them a LASTING GIFT—a subscription to the Post-Dispatch.

First, they will receive a handsome Christmas card bearing your name and announcing that you have LASTING thoughts of them. Then, the first copy of the Post-Dispatch will be delivered to them in a colorful Christmas wrapping.

And it won't stop there! Each day that they receive the paper and enjoy its news, editorials, features and comics, they will be reminded of your thoughtfulness.

This is the easiest Christmas gift to buy an out-of-town friend, and one that will be received with joy by all. Simply use the order blank below or call MAin 1111. No advance payment is necessary. A bill will be sent to you after the first of the year. We will take care of the card, the Christmas wrapping and all of the details.

Telephone immediately—or mail the order form today.

5424 ITALIAN JEWS HAVE LEFT SINCE 1938, ROME SAYS

Most of 6000 Others, Foreign Refugees, Also Thought to Have Quit Country.

ROME, Dec. 14 (AP). — Police announced today that 5424 Italian Jews voluntarily left Italy between the beginning of the anti-Semitic campaign in 1938 and June 30, 1940, with departures still continuing.

The Government in 1938 estimated there were 57,425 Italian Jews. Early in 1939 about 6000 foreign Jewish refugees, mostly Germans, were seeking to leave Italy under a blanket expulsion order and most of them are believed to have gone, although definite figures are not available.

Socialists Meet Today.

The St. Louis section of the Socialist Labor party will meet at 3 p. m. today at Jeffia Hall, Jefferson and Lafayette avenues, to commemorate the birthday of the late Daniel DeLeon, Socialist leader. W. W. Cox, who knew DeLeon, and Joseph Pirincin, national Socialist Labor organizer, will speak.
